Food Is Medicine: Healing From Cancer For Oncology Patients And Cancer Survivors

This free, four-week cooking series is for patients being treated for cancer and those who have completed their treatment. Open to the public.

Class will include:

Cooking demo for plant-based meals prepared with extra virgin olive oil (EVOO)

Nutrition education about how diet can help your body heal

Take home ingredient bags to prepare recipes at home including EVOO

Begins June 4th from 11am to 12pm

Hosted by Mary M. Flynn, PhD, RD, LDN
Research Dietitian and Associate Professor of Medicine, Clinical
at The Miriam Hospital and Brown University

Jonnycake Center, 22 Kersey Road, Peace Dale
